

# SLAUGHTER PEN FREERIDE BIKE PARK SURVEY

Friends At Slaughterpen Trails (FAST) & Progressive Trail Design (PTD) are conducting a survey for the "Freeride Park" at Slaughter Pen Trail System in Bentonville, AR.

We are entertaining the idea of having PTD develop a Master Plan Design for a new & improved progressive-based park for all skill levels (similar to Valmont Bike Park, Boulder, CO or Trailside Bike Park, Park City, UT). We are conducting this survey to determine the interest of the riding community in such a park, what elements or features they would like to see, and what kind of commitment they would make to taking care of the park.
